

## Opportunities to Establish an Itabashi Garden/Park

Development & Infrastructure Committee April 19, 2016

## Opportunities to Establish an Itabashi Garden/Park

“Direct the Director of the Capital Works Department to investigate opportunities to establish an Itabashi garden/park in the City of Burlington to commemorate the 25 year twinning relationship with the City of Itabashi, Japan and report back to the Development and Infrastructure Committee in 2015 on the potential location, costing and timing.”

Development & Infrastructure Committee April 19, 2016

## Opportunities to Establish an Itabashi Garden/Park

- Clarification of the Committee’s vision for an Itabashi garden/park
- Discussion on site selection considerations

Development & Infrastructure Committee April 19, 2016
